

Information on entering Thailand through Phuket Sandbox

PRE DEPARTURE

1

ELIGIBLE TRAVELLERS

- 1) Fully vaccinated against COVID-19 with a vaccine approved by Thai FDA/ Thai Ministry of Health/WHO no less than 14 days before departure. Children under the age of 18 and are traveling with parents/guardians are eligible without proof of vaccination.
- 2) Must travel from countries/ territories as listed by TAT and must have stayed in those countries for at least 21 days prior to departure (not required for those with residence in Thailand).
- 3) Must have health insurance with minimum coverage of 100,000 USD and covers COVID-19 treatment in Thailand throughout the entire duration of stay.
- 4) Must have a paid SHA+ hotel reservation confirmation (SHABA Certificate) throughout 14 days (If less than 14 days, the traveler must have proof of departure from Thailand).
- 5) Must obtain payment proof for COVID-19 testings in Phuket.

2

APPLY FOR COE

(Required for every individual even when travelling in groups/family)

Apply for COE >>
<https://coethailand.mfa.go.th>

Documents required for COE issuance

- 1) Passport
 - 2) Vaccination Certificate
 - 3) COVID-19 Health Insurance with minimum Coverage of 100,000 USD.
 - 4) Air ticket
 - 5) SHA+ hotel reservation confirmation.
 - 6) Proof of payment of COVID-19 testings while in the Sandbox.
- * Visa (if needed)

3

MUST GET A COVID TEST

Must get a COVID Test (RT-PCR only) 72 hrs. before departure with a "negative" result.

ARRIVAL IN PHUKET

Check: Countries/territories where travelers may enter the Phuket Sandbox

STEP 1

Pass through Department of Disease Control and Immigration checkpoints (ThailandPlus application must be downloaded).

STEP 2

Undergo RT-PCR test at Phuket Airport.

STEP 3

Travel from Phuket Airport to SHA+ hotel by a SHA+ certified transport.

STEP 4

Wait for the result of RT-PCR test in the hotel room. If tested negative, then you will be allowed to travel in Phuket.

(1) During stay/before departure from Phuket, must undergo two more RT-PCR tests (on days 6/7 and 12/13) according to the period of stay.
 (2) Travelers who wish to continue the journey to other Thai destinations: must have proof of 14 days of stay in Phuket and 3 RT-PCR tests.
